# LeanData

BookIt for Forms

Empower prospects to instantly book meetings with the right rep

Meet with Website Visitors Faster

BookIt for Forms enables your revenue team to instantly qualify and secure meetings with inbound prospects. By matching each form submission with the right owner in your CRM, your prospects can schedule a meeting with the best rep for their needs.

*The result?* Accelerated lead conversion and a more compelling experience for every prospect.

Instantly present your prospect a selection of meeting times

Create customized webform experiences

Deliver Compelling Experiences

Create a seamless scheduling experience by weaving in your brand's voice, colors, logos, and more!

Create meeting types that best serve your customers and unique business needs, and easily integrate with solutions such as Salesforce Marketing Cloud Account Engagement, Marketo, Hubspot, Unbounce, Microsoft Outlook Calendar, Google Calendar, Google Analytics, and more!

Control B2B Selling Complexity at Any Scale

Deliver qualified prospects to the right reps with instant and flexible automation. Level-up your growth plays by leveraging LeanData's no-code, drag-and-drop FlowBuilder and visual routing insights to configure, adjust, and optimize scheduling logic at the speed of business.

"The main reason we selected LeanData BookIt was its advanced automation capabilities combined with seamless integration with our existing Salesforce setup. This powerful combination enables us to streamline our scheduling processes, reduce manual intervention, and significantly improve the efficiency and accuracy of our sales operations."

A Win-Win for Buyers and Reps

Today's B2B buyers don't always know what they want to buy, but they do know how they want to buy.

Buyers want quick, friction-free buying journeys on their own timelines - just like they've grown accustomed to with their B2C buying experiences. When they are ready to engage, you need to engage immediately.

BookIt for Forms allows your prospects to control their buying experiences, and meet with reps on their own timelines. Buyers have their expectations met, and you have a shortened sales cycle — a win/win!
